Attn: Kristine Adams

Committee ID: C00331314

Per your inquiry and request, this letter is to advise the Federal Election Commission that we do not want the Reform Party of the United States of America committee terminated.

Treasurer Lee Dilworth will be sending a separate letter advising the FEC that the committee does not want to be terminated as soon I have reached him by phone, and he will include an Amended Termination Report with his letter.

Thanks for advising me that the former treasurer, Bill Chapman, should have turned over his records to me as current Custodian of the Records. I will request that he do so in writing.

Sincerely,

Beverly Kennedy
Custodian of Records
